

CAPABILITIES STATEMENT

Waterwise landscape subcontractor for the Wasatch Front.

H2No Utah, LLC partners with general contractors, developers, and civil contractors to deliver artificial turf, xeriscape, retaining walls, and fencing — on schedule, on spec, and under one PO.

ESTABLISHED	DUNS	UT LICENSE	BONDING CAP.
2020	On request	DOPL Verified	\$2,000,000
LIABILITY	WORKERS' COMP	SERVICE AREA	CREWS
\$2M / \$4M Agg.	Active	Wasatch Front	4 dedicated

CORE CAPABILITIES

Four scopes. One bonded sub.

<p>Artificial Turf High-performance synthetic turf for commercial, multi-family, and amenity-grade applications. Engineered base prep, drainage, and infill. Pet- and UV-rated systems with manufacturer-backed warranties.</p>
<p>Waterwise & Xeriscape Planting Drought-tolerant designs that meet HOA and municipal water-conservation requirements. Native/adaptive species, drip irrigation, smart controllers, Localscapes-compliant builds.</p>
<p>Retaining Walls & Hardscape Engineered segmental walls (Allan Block, Keystone), boulder walls, paver patios, walkways, and stairs. Crews experienced reading civil/structural plans and holding elevations.</p>
<p>Fencing & Site Finishes Vinyl, cedar, ornamental steel, and chain-link. ADA-compliant gates, dumpster enclosures, and amenity fencing — coordinated with site grading and irrigation.</p>

WHY PARTNER

Built like a trade. Operated like a partner.

We don't sell lawns to homeowners. We deliver scopes for builders, developers, and civil contractors who need a landscape sub that shows up, hits dates, and closes punch lists.

Bonded & Insured	\$2M general liability + active workers' comp. COIs on file within 24 hours of award.
Built for Schedule	Weekly look-aheads, two-week scheduling commitments, direct PM-to-PM communication.
Single-Source Trades	Turf, hardscape, fencing, and irrigation crews under one PO. Fewer subs, fewer surprises.
Closeout That Closes	Punch lists handled inside one walk. As-builts, O&M; manuals, and warranty docs with final pay app.
